

FARMING TOGETHER

The Future of CSA in the UK

Conference:
16 September 2011

9.00am-5.30pm

At-Bristol, Harbourside, Anchor Road,
Bristol BS1 5DB

Come and join us in the heart of Bristol's harbourside to celebrate CSA, explore the diversity of enterprises, hear about CSA overseas and look to the future of CSA development in the UK.

The day will provide an opportunity for CSA enterprises to come together to experience being part of a bigger movement, to network on a local, regional and national scale, to share good practice and be inspired.

International speakers will provide us with a wider perspective on scaling up and connecting together. And finally we'll be looking at the future potential for CSA in the UK: Where can it go? How will it look? Who will be involved?
